

Christmas Season Prayer

Good and generous God,
you came into the world to be our new hope.
After having loved us and trying to tell us so
from what seemed to us a far away place.
You chose to dwell humbly and vulnerably among us.
Your presence in our world signaled an end
and a new beginning in the way
You communicated your love.

Enter our lives and our hearts,
so that You might be birthed
into the world through our families.
Bring forth a new understanding of your love.
not just through the gifts we give these days
but through our being generous with our love
in the way you were generous with yours;
by making Christ's presence known to the world this day.
We ask this through Christ our Lord. Amen.

Merry Christmas to All from All of us at St. John Neumann Parish
