

## **Parish Survey**

In an effort to better communicate the voice of the parish; our Pastoral Council recommended the creation of a brief survey. This is a way to better help our parishioners give feedback. The responses of this parish survey will be compiled on a regular basis and utilized as a tool to enrich the programming, worship and fellowship at St. John Neumann Parish. Please prayerfully consider completing the questions below and returning them to St. John Neumann to the parish offices, in the collection basket or by mail. Surveys may also be e-mailed to Donna Garrity at [dgarrity@isoc.net](mailto:dgarrity@isoc.net)
